The 89th SHINSEISAKU Art Exhibition

The 89th SHINSEISAKU Art Exhibition

Introduction

"About Shinseisaku"

The Shinseisaku Art society was founded 91 years ago. We suspended our activities in 1945 and 2020 due to the war and the COVID-19 pandemic, so this year marks our 89th Shinseisaku exhibition. The free spirit, endless pursuit of purity, and rebellious spirit that began with nine artists continue to this day with clarity.

A wide range of expressions, including painting, sculpture, and space design, are cultivated by artists of all ages, creating a tense and expansive exhibition space in the spacious venue.

A great predecessor once said, "Shinseisaku Art Society is a breeding ground for the birth of new things." This belief continues to this day. In today's world where diverse values intertwine, we will continue to convey the essence and appeal of art. For a bright future without suspensions.

Hiroshi Iwama, Chairman of the Shinseisaku Committee
